For more information, please contact us on 9385 9002.

CHATTERBOX CLUB

Chatterbox is back by popular demand from Saturday, October 31, 2009. This is the perfect opportunity for you to make new friends, catch up with old friends, and participate in language exchange over a cup of tea or coffee. Chatterbox is suitable for all ages and language abilities, as it provides Australians and Japanese people with the opportunity to brush up their language skills in a casual and social atmosphere. This event is exclusive to HPGCC Members. However, as membership is only \$10 for the remainder of 2009, it is a bargain!

New participants are welcome to come along and become a Member on the day.
